

## *Comic Collectors Guide*

**Comic Collectors Guide**

Comic book price guides are generally monthly, quarterly, or yearly publications which detail the changes in the resale value of a comic over a period of time. Price guides are also important tools for collectors looking to sell their collection or determine their collection's worth for insurance purposes.

**Comic book price guide - Wikipedia**

The Overstreet Comic Book Price Guide (or Official Overstreet Comic Book Price Guide) is an annually published comic book price guide widely considered the primary authority on the subject of American comic book grading and pricing in the hobby/industry. Many observers tie in the growth of the direct market distribution system and comic book specialty shops to the general acceptance of ...

**Comic Price Guide: FREE Online Comic Book Appraisals!**

It's important to emphasize this, because too many collectors (especially when it's time to sell their comic books) quote the "value" of the books in their collection.. They simply look up all the prices in the guide, usually blanket-grading their books as near mint minus (9.2), and multiply the number of comics by the 9.2 price.
