### **Comic Strip Examples For Kids**

A comic strip is a sequence of drawings arranged in interrelated panels to display brief humor or form a narrative, often serialized, with text in balloons and captions. Traditionally, throughout the 20th century and into the 21st, these have been published in newspapers and magazines, with horizontal strips printed in black-and-white in daily newspapers, while Sunday newspapers offered longer ...

Comics is a medium used to express ideas through images, often combined with text or other visual information. Frequently, comics takes the form of juxtaposed sequences of panels of images. Often textual devices such as speech balloons, captions, and onomatopoeia indicate dialogue, narration, sound effects, or other information. The size and arrangement of panels contribute to narrative pacing.
