America's Spanish houses have a long history and can incorporate many styles. Architects and historians often use the word eclectic to describe architecture that mixes traditions. A Spanish Eclectic house is not exactly Spanish Colonial or Mission or any particular Spanish style. Instead, these early 20th century homes combine details from Spain, the Mediterranean, and South America.

L'Architecture moderne ou Mouvement moderne naît du passage progressif de la campagne à la ville dans un contexte de changements techniques, sociaux et culturels liés à la révolution industrielle. Les conséquences se font sentir dans la construction et l'urbanisme entre la fin du XVIII e siècle et le début du XIX e siècle et plus précisément dans l'après guerre après Waterloo.
