It was during this period, from 1928-1939, that Ford lost their dominance of the American tractor market. Owing to the higher cost of importing Ford farm tractors from Ireland, and then Britain, and to the development of newer models by American competitors that made the Fordson look obsolete, Ford's market share slipped, eventually to a low of five percent.

Crafting is the activity of creating a new item as specified by a crafting recipe. Similar to but separate from Cooking, each recipe lists a set of ingredient items that are consumed in each crafting action. The player knows eight crafting recipes at the start of the game, and must learn all others by gaining skills, developing friendships with townsfolk, and purchasing the rest from shops.

Potentially the greatest thing since sliced cake and music box loops. Pistons can make things both cool and awesome. The only downside of Pistons is the difficulty curve in using them correctly, but once you get the hang of it, you will never go back to regular doors, stairs, bridges and traps again.
