Broadly speaking, liberty (Latin: Libertas) is the ability to do as one pleases. In politics, liberty consists of the social, political, and economic freedoms to which all community members are entitled. In philosophy, liberty involves free will as contrasted with determinism. In theology, liberty is freedom from the effects of "sin, spiritual servitude, [or] worldly ties."

Jamaica's political institutions are democratic, with competitive elections and orderly rotations of power. However, corruption remains a serious problem, and long-standing relationships between officials and organized crime figures are thought to persist. Gang and vigilante violence remains a concern, as does harassment and violence against LGBT (lesbian, gay, bisexual, and transgender) people.
