

Gymnastics For Juniors

Gymnastics For Juniors

Gymnastics is a sport that includes exercises requiring balance, strength, flexibility, agility, coordination and endurance. The movements involved in gymnastics contribute to the development of the arms, legs, shoulders, back, chest and abdominal muscle groups. Alertness, precision, daring, self-confidence and self-discipline are mental traits that can also be developed through gymnastics.

Artistic gymnastics is a discipline of gymnastics in which athletes perform short routines (ranging from about 30 to 90 seconds) on different apparatuses, with less time for vaulting. The sport is governed by the Fédération Internationale de Gymnastique (FIG), which designs the code of points and regulates all aspects of international elite competition.
