If Florence Lawrence was the first movie star, Maurice Costello was the first movie heartthrob. Employed for a time by Thomas Edison's film studio, Costello, whose roots were Irish despite the Italian-sounding surname, was reputedly the first star to receive fan mail. Not knowing who he was, audiences wrote to him as simply "Dimples.". Costello was also apparently the first movie star ...

10 Forgotten Stars Of The Silent Film Era - Listverse

A movie star (also known as a film star and cinema star) is an actor who is famous for their starring, or leading, roles in motion pictures. The term is used for actors who are marketable stars and whose names are used to promote movies, for example in trailers and posters.

Movie star - Wikipedia

A silent film is a film with no synchronized recorded sound (and in particular, no audible dialogue). In silent films for entertainment, the plot may be conveyed by the use of title cards, written indications of the plot and key dialogue lines. The idea of combining motion pictures with recorded sound is nearly as old as film itself, but because of the technical challenges involved, the ...
