

## *Professionalism In Flip Flops*

### **Professionalism In Flip Flops**

While reading Professionalism in Flip Flops, as a reader you get a great sense of how very transparent Ryan is through all 186 pages. The business lessons are great, but honestly I found the sections where Ryan dove into his own life just as compelling.

Professionalism vs. Slap-Dash. Would you wear your flip-flops to the office? Probably not, unless you work at a beach store or you've got a summer gig as a lifeguard. While some professional environments also frown on sandals, this sturdier -- and dressier -- type of summer footwear is occasional acceptable in the workplace.
