

## *Right And Left In Politics*

### **Right And Left In Politics**

Right-wing politics hold that certain social orders and hierarchies are inevitable, natural, normal, or desirable, typically supporting this position on the basis of natural law, economics, or tradition.: p. 693, 721 Hierarchy and inequality may be viewed as natural results of traditional social differences or the competition in market economies. The term right-wing can generally refer to "the ...

### **Right-wing politics - Wikipedia**

The left-right political spectrum is a system of classifying political positions, ideologies and parties, from equality on the left to social hierarchy on the right. Left-wing politics and right-wing politics are often presented as opposed, although a particular individual or group may take a left-wing stance on one matter and a right-wing stance on another; and some stances may overlap and ...

### **RIGHT | meaning in the Cambridge English Dictionary**

[Originally appeared in *Left and Right*, Spring 1965, pp. 4-22.]. The Conservative has long been marked, whether he knows it or not, by long-run pessimism: by the belief that the long-run trend, and therefore Time itself, is against him, and hence the inevitable trend runs toward left-wing statism at home and Communism abroad.

### **Left and Right: The Prospects for Liberty | Mises Institute**

I'm often asked versions of the following: Given that the political right is so corrupted by conservatives who seek to limit liberty in countless ways, wouldn't it be better to abandon the language of "left" vs. "right" and adopt new terminology? My answer is that, because the terms ...
