Show Trans A Nonfiction Novel

A novel is a relatively long work of narrative fiction, normally written in prose form, and which is typically published as a book.. The entire genre has been seen as having "a continuous and comprehensive history of about two thousand years", with its origins in classical Greece and Rome, in medieval and early modern romance, and in the tradition of the Italian renaissance novella.

Historical fiction is a literary genre in which the plot takes place in a setting located in the past. Although the term is commonly used as a synonym for the historical novel, it can also be applied to other types of narrative, including theatre, opera, cinema and television, as well as video games and graphic novels.. An essential element of historical fiction is that it is set in the past ...
