1:48 scale cutaway model inside the Ark showcases its intelligent design. Noah's Ark. Williamstown, Kentucky We've visited other Creationist attractions -- each has its own unique charm-- but none match the scale and sophistication of Kentucky's Ark Encounter. Regardless of your religious beliefs (and in spite of a biblically proportioned admission and parking fee) the Ark is an attraction that ...

The following year saw more humanoid sightings in Finland, this time in Kinnula. On February 2, 1971, just after 8:00 PM, two women driving toward Oulu through Kinnula noticed that they were being followed by a strange light above them. The light eventually caught up to their car, which caused the driver to bring it to a halt.

Shafter, Texas, a ghost town located at the east end of the Chinati Mountains 18 miles north of Presidio, has a long history closely tied to silver mining. It was the first major mining town established in west Texas and the only successful silver mining area. This once bustling town had a population of as many as 4,000 people, but today is mostly quiet and called home to only a few families.

Harley Keener is a young kid who had crossed paths with Tony Stark who broke into his garage seeking shelter and food. Keener allied with Stark in his quest to prevent the Mandarin's campaign and uncover the enigmatic Extremis program. Keener proved to be a useful ally, as he had tended to the Mark XLII armor in Stark's absence and helped track down the Mandarin's base of operations in Miami.
