The Power and the Glory is the sixth album by the British progressive rock group Gentle Giant, released in 1974. Contrary to popular belief, the title of the album and its many lyrical themes were not inspired by author Graham Greene's novel of the same name, although Derek Shulman was aware of Greene's novel. Guitarist Gary Green has cited this album as his favourite by the band.

As a point of departure in developing our typology, we build alternative conceptualizations of entrepreneurship derived from Hayek (1945), Kirzner (1973) and Schumpeter (1942). The typology allows us to identify similarities and differences among the broad range of individuals and organizations engaged in social entrepreneurship.
