MISSION The Army Publishing Directorate (APD) is the Army's centralized departmental publishing organization in support of readiness. APD manages, authenticates, indexes, sustains, procures printing, distributes publications, forms, and digital media.

### **Army Publishing Directorate**

United States Army Field Manuals are published by the United States Army's Army Publishing Directorate. As of 27 July 2007, some 542 field manuals were in use. They contain detailed information and how-tos for procedures important to soldiers serving in the field. Starting in 2010, the US Army began review and revision of all of its doctrinal publications, under the initiative "Doctrine 2015".

In a pure military context, Technical Intelligence (TECHINT) is intelligence about weapons and equipment used by the armed forces of foreign nations (often referred to as foreign material). The related term, scientific and technical intelligence, addresses information collected at the strategic (i.e., national) level. Technical intelligence is intended primarily to allow the armed forces to ...
